

Symptom:
Drug cabinets and refrigerators
are **not secure.**

Rx: CompX eLock.

How secure are your drug cabinets and refrigerators?

Looking for an electronic cabinet lock that can provide audit trails and use your existing credentials?

Scrambling to secure your pharmacy before a JCAHO audit?

You're not alone. With five different models and three access mode options, CompX eLock can provide your facility with a system to secure your cabinets and refrigerators. Now you can **be in control.**

To learn more about the **CompX eLock** and the CompX eLock **refrigerator kit**, please contact us or visit us at **ASHP booth #2738.**
